Lady Armani hated her boss. Or actually, to be more precise, she was mad and unhappy because she thought he hated her. She was a live-in babysitter for John and Samantha's two young devils and even though she spent every waking moment trying to please the little brats and keep them calm, she never got so much as a "Thank you." Samantha was rarely home, often working long shifts at the hospital, and when John came back from work at 5pm every day, he would immediately start to boss the babysitter around, demanding chores be done and insulting her along the way. She did what she was asked with a smile, after all the pay was real good, but she cursed him under her breath. Little did Lady Armani know, it was her boss's sexual fantasies that were driving his anger.

Lady Armani

Naughty Babysitter

When one night John demanded she put on a slutty outfit and meet him in his bedroom, she thought he was joking. He wasn't.

John was naked and hard, extremely hard, when Lady Armani walked in. One look at the hot slut and he grabbed her, slamming his rod into her tight ass.

Lady Armani was about to complain but being completely stretched and filled felt too good. She was in fucking heaven.

This was one time she didn't mind being called a filthy slut by her boss.

Who said a good fucking can't
solve everyone's problems?

Trixxie

Porn Star Booty

Trixxxie was a star in her own right. She might not have made any big Hollywood films like she had dreamed about as a little girl, but she was famous on the small screen. Any man, or woman, who ever watched any good porn would have surely, at some point, jerked off to the sight of Trixxxie fucking and her big tits bouncing in her favorite position, the cowgirl. Only problem was that lately, Trixxxie wasn't getting any new roles. According to every director she talked to, she had become too comfortable. Trixxxie had to admit it was true - she had refused to try anything new. She knew there was only one way to get back into the swing of things and that was to share her big delicious booty with the world.

Trixxxie marched into her favorite director's office, her yummy knockers hanging out and her full lips and ass ready to work for a new leading role.

He had complained about her not wanting to share her beautiful ass, so she wasted no time showing him she had had a change of heart.

She wasn't going to leave the office without cumming in her favorite position, but she was going to drive him wild by doing it in reverse. He got her ass, so he'd have to beg for her boobs.

Can you handle a porn star
experience?

I'm what they call a 'base bunny' – a married woman living on an Army base who fucks every cock in khaki. It started a couple of years ago, when a platoon of sweaty young Marines screwed me silly in the bushes.

My husband is a General, his main duty to inspect bases all over the country to make sure they measure up. He's a good-looking man, earns a good salary, and treats me right. But I'm twenty years his junior, a trophy wife with big fake tits and a very real and insatiable sexual appetite. I was a nymphomaniac before I married Clyde, and being around so many young, hung, hard-muscled men on a daily basis has turned me into a raging and unrepentant sexaholic. It's always DefCunt 1, in my panties.

A week after our honeymoon (in Guam!), Clayton was called out to inspect a base on the west coast, and I tagged along. I'd been faithful that entire first two weeks of our marriage. But as I was strolling along a path in the woods that surrounded the base, I was almost run down by that rogue platoon of Marines, and I went on to break our marriage vows with a bang – a gang-bang. I'd gone about half-a-mile along the cedar chip path in the forest, when I suddenly heard heavy tromping, heavy breathing coming from up around the corner of the path. And then the Marines burst into view, all thirty studly guys, running straight at me, using the Army grounds and its obstacle course for their own training. They were wearing just white shorts and green t-shirts, tight to their bodies, their muscular limbs and handsome young faces sweat-sheened with exertion.

They barreled up to me and then jogged on

THE MARINES HAVE LANDED

the spot, chanting, "She's got legs, she's got tits; how I'd like a piece of it!"

Their voices and bodies bowled me over, made my pussy brim with excitement. I spontaneously beckoned them off the beaten track and into the bushes with a sexy smile and a curled finger.

I just couldn't help myself – that much panting cock presented all at once was too

much to turn down.

We found a clearing in the trees. I stripped off my white crop-top and pink thong shorts, wriggling my tight top up over my big breasts, wiggling my tight shorts down over my bountiful butt cheeks. The guys loved what they saw, saluting me with their stiff cocks.

I went down to my knees in the grass, and they encircled me with their pricks. I gripped two straining donges, sucked up another one, tugged wantonly on all three. I consumed almost the entire steely length of a buzzcut blonde and bobbed my head back and forth, sucking on his cock while

I pumped my hands up and down on the two other young pricks in rhythm. I moved around, taking on cock after cock, blowing with my drooling mouth, jacking with my sweating hands. Pink dicks, black dicks, brown dicks; these Marines were packing heavy artillery, this slut an easy target to hit and stick.

A hulking redhead suddenly grunted and popped off right in my mouth, unable to control himself. I instantly dropped the other two cocks I'd been jerking and squeezed the guy's hanging balls, noosed and pumped his shaft with two fingers, milking him, swallowing every spasming spurt he shot into me. Impressing the platoon of hunks even more.

But I wanted the rest of the soldiers to hold their fire for my pussy. So when I'd drained the redheaded warrior dry, I spat out his empty rod and flopped down on my back in the grass.

I groped my jugs, fingered my nipples, glaring up at the glistening donges and daring them to plug me where it really counts. A big, black Marine was the first to land on my strip-shaved cunt, driving his sword between my swollen lips and deep into my velvet tunnel.

We groaned. He fell over top of me, gripping my tits and fucking my cunt. I grabbed onto his giant, pumping butt, and he yelled in my face and shot off in my pussy.

These guys were trigger-happy, too many nights spent in the barracks.

I got four of them to hold me up in the air by the limbs, my arms and legs spread, pussy oozing cum. They banged me in rotation, one stepping up and shafting my tunnel, humping me quick and hard, blazing jizz inside of me. As two others fed me cock in the face and felt up my tits. Rapidly replaced by other men, another man reaming and sperming my cunt.

I frantically sucked on cock mouth and pussy, held up in the air by the men and my utter bliss, my blonde hair streaming, body bathed in perspiration. Marine after Marine breached my burning loins, pumped me hard and heavy and full.

A cock smacked my slit, then sluiced back and forth over my slathered lips, getting lubed by my juices and their jism. And then I almost choked on the licorice dong I was sucking, as I felt the meaty cap of that other cock hit my one hole and dive lower, squish up against my browneye, barge through.

I craned my neck and stared at the tall, dark and handsome enlisted Hispanic. He grinned at me, shoving his dong all the way up my shimmering anus. He churned my chute only ten or twelve times, before blasting searing seed into my ass. But he blazed the trail for more to come.

Men fucked my face, my pussy, my butt; vigorously pistoning every hole, flooding them with hot, salty semen. I gulped with my mouth and cunt and ass, coming almost as many times as that platoon of men, taking all of that urgently thrusting meat and getting off on it; squirting, screaming, blazing with lust.

I almost felt bad for my husband. Being in the Army, he hates the Marines. But I felt so wickedly, wildly good with all of that serviceman cock plowing me, that the General simply faded away from my mind like the old soldier he is.

- Charlotte Remple

Mas Tubation

I've always liked my roommate's boyfriend. Chris is tall and lean, with soft blonde hair and warm brown eyes, a deep-brown tan. And when he stayed over with us one weekend, I got to like him a whole lot more.

Ellen had gone out to pick up some groceries for dinner, while Chris had gone into the bathroom to 'clean up' after helping us girls clear out our storage locker down in the basement of our apartment building. But, as I found out when I peeked around the edge of the bathroom door, what the pretty boy was doing was anything but clean; downright dirty, was more like it.

He was stretched out in the tub with the water up to his chin, and his cock stretched out in his hand. He was masturbating, stroking up and down his smooth, glistening erection with an expert motion. The water rippled over his beautiful body, soapsuds greasing the erotic hand-action on his upthrust prick.

I felt a tingling deep down in my pussy, watching the boy jack himself. He was totally immersed in the process, his eyes fixed on his hand gliding along his prong, his other hand swimming around on his hairless chest, pinching and pulling his tan, taut nipples.

I started replicating his deliciously naughty idea, sliding one hand up into my top, other hand down into my shorts. I touched tit and clit at the same time, had to bite my lip to contain my gasp of pleasure. Cupping and squeezing my left breast, rubbing my muff, I watched Chris stroke his meaty prong.

It was wild, wicked, wonderful almost as

the real thing – me feeling myself up while the guy fisted himself up and down. His hand moved faster and faster on his pipe, polishing the gleaming shaft, almost pulling the shiny hood right off. I kept erotic pace, buffing my brimming button, pinching and rolling my buzzing nipple.

Chris gritted his teeth and really tugged, arching his bum up off the bottom of the tub. I hooked two fingers into my slit and

pumped, brushing my clit with my thumb, kneading my tit like it was hot, firm dough. We were driving ourselves inexorably to ecstasy, the guy about to spout off, me about to drench myself. I couldn't let the opportunity pass with just a jack and jill contest.

I slipped inside the bathroom, anxious to give the lovely guy another hand.

He didn't even notice me at first, so absorbed was he in jerking off. I was literally standing right next to the tub, staring down at his rippling form and rock-hard erection. Then he just looked up at me and smiled, like he'd been expecting me all along.

"Got kind of excited working so closely with you girls this afternoon," he said by way of explanation, hand bobbing up and down his shaft.

"Mmm," I responded. "So I see."

I popped my shorts open and slid them down, along with my panties. The panties were just about as wet as Chris. I stepped out of the garments in my long, bare legs and shaven pussy and sat down on the edge of the tub. Then I reached out and gripped Chris' cock.

He arched up out of the water, his prick gliding between my encircling fingers, along my warm, soft palm. "Yes!" he groaned.

I could feel his hot, pulsing excitement, as I slid my hand back and forth on his shaft, swirled my fingers all around his hood. He stared at my legs, in between. I lifted a leg and dipped a bare foot into the bathwater, between his legs, so that I was straddling the edge of the tub with my slit on display. Chris' right arm emerged out of the water, and his fingers touched up against my swollen twat lips. I groaned, pumping him harder, faster, really corkscrewing my gripping hand on his towering dong. He rubbed my slit, his searching fingers finding my puffed-up button and brushing against it.

His naked body shone before me under the water, his cock stretching, straining in my pumping hand. "Stick your fingers inside me! Fuck me with your fingers!" I gasped, glaring down at the gorgeous guy.

Two of his slippery digits instantly pushed

into my pussy, plunging through my slickened lips and delving deep into my tingling tunnel. He went all the way in to his knuckles, and I shivered with pleasure. Then he started churning, fucking my cunt with his fingers, in rhythm to me jacking him with my hand.

We pumped faster and faster, staring at one another. His body quivered beneath the surface of the water, his cock surging still higher and harder in my frantically tugging hand; his fingers flying in my slit, pistoning me full of shimmering heat. "Yes! Sweet Jesus, yes!" he suddenly cried. His body bowed upwards on the raw edges of his orgasm, cock spasming and spurting.

Hot semen leapt out of his slit and rained

down onto my hand and wrist, as I kept on stroking hard and tight and fast. His bumping thumb found my clit, and I cried out and came with a brutal, blissful intensity, shaking uncontrollably.

"You don't feel bad about cheating on your girlfriend?" I asked him afterwards. He shrugged in the tub, grinning wolfishly, his cum dappling the water.

"Good," I said. "Because, actually, I really prefer girls. I've been doing Ellen the entire time she's been going out with you."

Pleasure Bunny had never been with another woman before. Even so, she was always curious but really shy. It took an older neighbor to get her to come out of her shell. Sunshine knew that if she wanted to bed this little mynx, she had to play it really slow. She started hanging out with her, asking her about boys and fantasies and before you know it, Sunshine had her ready to experiment. One afternoon after Bunny had gotten into a fight with her boyfriend and she needed some consoling, Sunshine knew she was ripe for the picking. It was a day to remember.

A photograph of two Black women embracing. The woman on the left is smiling and looking towards the camera, wearing a black and white striped top. The woman on the right is also smiling and looking towards the camera, wearing a gold and black patterned top. They are both wearing rings and have manicured nails.

Sunshine & Pleasure Bunny

Fucking Her Neighbor

Sunshine knew what she wanted and that was all of her sexy neighbor's's tight holes. But first, she had to show Bunny what she had to offer. As she suspected, one look at her juicy pussy and Bunny was ready to explode.

This couldn't have been Bunny's first time with a woman. She licked Sunshine's slit like an expert, hungrily sucking up all of her juices and biting her pussy lips.

Licking and sucking wasn't enough.
The two horny bitches needed more.
They needed to be stuffed.

Right about now, they could sure
use a real, juicy dick...

Marie Luv

Big Ass, Big Experience

Marie Luv was no stranger to fucking. In fact, she was quite an expert. Having had her first lover at sixteen - in the back of a Dodge truck, thank you very much - she never looked back. She was a closet nympho and the more sex she had, the more she wanted it. But Marie always had special needs, which she soon found were not that easy to fulfil. She liked older men, much older, and she liked to be ass fucked. Her dad was never around (maybe that's why she was so wild) and she needed to feel bossed around by someone with age and authority in the bedroom. And if they weren't older, they could pretend. Marie hadn't had a thorough humping in weeks and she was desperate. Lucky for her, her favorite bartender would do anything to get a piece of Marie's smoking hot body.

To say Marie Luv was wild in the sack wouldn't do her justice. She deep throated cock and screamed like a hungry animal.

Marie knew how to get what she wanted. She stuck her fine round ass out at the bartender and demanded he shove his prick in until his balls were slapping against her backside.

She rode him with her
ass faster and harder. Her
new lover didn't under-
stand how anyone could
resist this fiery temptress.
If she ever needed to use
his cock again, he would
do anything for her.

Marie Luv had always wanted to try something - she turned around on her new meaty fuck toy while she was still fully impaled on it.

Her new trick made her sopping wet. Her pussy was dripping and she needed the strong rod that was in her booty to drive her harder.

If you can keep up with Marie Luv's
wild fantasies, give her a call.

Kapri Styles had only been in the States for a week, but she didn't understand why she still hadn't had to chance to fuck someone local. She was on vacation in a new country and she wanted to try the local cuisine. She went out to bars and clubs almost every night with her best girlfriend, the one she was staying with, but only one man had caught her attention - her friend's boyfriend. She accidentally walked in on him showering one morning, at least he thought it was an accident, and when she saw his giant package, she ruined her panties with a flood of her juices. She would have fucked him right then and there but his girlfriend was just outside in the kitchen; she couldn't risk it. She had to wait until the time was right and knowing that her friend had a night class on Wednesdays, that would be just the right time.

Her friend wasn't gone for two minutes when Kapri walked out of her room in the raciest outfit she could put together. The boyfriend was watching TV on the couch, but she put on a much better show.

Kapri was small but mighty; no one would tell her she couldn't do something. She sat on his big hard cock without any hesitation.

Good things do come in small packages. Kapri's star was so tight and he felt so big inside her, she was screaming with ecstasy in seconds. It's a surprise the neighbors didn't come over to check what was happening.

Her lover slid in and out of her hole slowly, but she didn't want gentle fucking. She liked being manhandled and she pumped her hips back at him as hard as she could.

She did want to fully taste the local cuisine - she had to have him cum in her mouth, and she swallowed every drop she could. She was hooked and ready for round #2.

Want to be Kapri's next exotic
experience?

Horny Housewife

Vanessa had been a loyal housewife for over ten years. Not once had she cheated on her husband, even with all her free time and all the opportunities. She was a firecracker in the sack and she was rich, so boytoys and fuck friends weren't hard to find, but Vanessa Blue had always controlled herself. When her husband promised he would retire by the end of the year, she was over the moon. They could finally do anything they wanted, and fuck any time they needed, or she needed. Six months had passed since her husband had made the promise and he didn't seem to be in any hurry to leave his job. If he wanted it that way, she would finally start fucking someone who could fill all of her sexual needs, and holes. She called up her husband's business partner, Rich.

Rich wasted no time. He took the rest of the day off, cancelled his meetings and rushed over to Vanessa's house. If she looked as hot as she did fully dressed, her naked body had to be a work of art. He was right.

Vanessa wanted to thank him, and get revenge on her husband, by giving him something special. She offered him her back hole virginity and he jumped on it.

She didn't want to admit it at first, but Rich was bigger and better than her husband. She needed him to fill her aching pussy too.

Vanessa got on her knees and begged him not to stop. This was one wet slut and she wanted Rich to switch between her holes all day and all night.

Even his cum was better, which made Vanessa wonder - what has she been missing out on all these years? Help her find out...

Ariel Alexis

Humping for Rent

Ariel was fucked, and not in a good way. She was broke, she had just been fired from her job for trying to bed all the employees and she had been asked to move out of her apartment because she had missed last month's payment, and her nonstop sex cries were getting too many complaints from the neighbors. She wasn't about to live on the street, and she liked her place, so she needed a plan, fast. Instead of packing, she called her landlord over and made him an offer he couldn't refuse.

Ariel knew no man could resist her tight ass and fine figure, so when her landlord knocked at her door, she greeted him by showing off her goods and rubbing her clit.

Instead of paying him with cash, she got on her back, spread her legs wide (her gymnastics training was sure coming in handy) and offered him her juicy cunt and tight star.

She hadn't been this hot and horny in months. She had to finger herself and make him taste her pussy juice.

Ariel couldn't believe how strong he was. She thought she was going to dread this fuck session, but now she wanted his dong to stay in her forever.

A woman wearing a Spider-Man costume is lying down, her hands resting on her breasts. She has white nail polish. The background is a patterned rug.

Fulfilling her landlord's fantasies, she knew she would be allowed to use her body for payment from now on. The fact that she enjoyed his steel-hard prick slamming into her was a bonus.

This girl absolutely loves cum.

Sex was definitely the best way
to pay for things. Ariel decided
she would have to start doing
that more often...
